## PARENT PARTICIPATION

Parents or parent substitutes will not be required to help in class. Parents are welcome to visit a class at any time. In the case of field trips, parents are responsible for transportation.

## ABOUT OUR STAFF

Through experience and education, our teachers have been involved in the training of young children for over 30 years in the fields of home day care, child care centers, 4-H, Sunday school and preschool as well as raising their own children. Susan Elliott earned her CDA (Child Development Associate) from Mott Community College in Flint, Michigan.

Our teachers have a passion for working with young children. They are mature Christians who are dedicated to leading these young hearts to Jesus.

Thank you for this opportunity to serve our Lord in training His children for His service.

## CURRICULUM

Our curriculum is Christian based, encourages independence, develops social skills and meets state standards for school readiness. We begin and end each day with prayer.

Children in the 4-year old program will be learning to recognize and write their names, letters, phonics and numbers. There will be seasonal activities and reviews on colors and shapes. We focus on lessons and exercises that develop good reading, writing and listening skills in both classes.

In the 3-year old program, the children will learn to recognize their names and begin to write it, phonics, counting, colors, shapes and seasonal topics.

Both groups will be learning nursery rhymes and songs as well as Bible stories and Bible verses. Children love the show-and-tell each week. There are many opportunities for social interaction.
